

### Additional information for the Written Examinations

Whilst we appreciate it may be difficult to provide this level of detail without sight of your scripts, the type of information we would be looking for you to identify for each question is:

- those **questions** that you feel have been very well attempted;
- **questions** where points you may have made and you are concerned about clarification to the examiners;
- any other areas in the **questions** where you may feel there was any degree of ambiguity that led you to answer in a certain way;
- any other specific comments about the **questions** that you feel are relevant to your appeal.

If you wish to receive a copy of your scripts under the Data Protection Act this may be requested by forwarding a cheque for £10 made payable to the 'Employers' Organisation.'
