

2ND AMENDMENT NOTICE
to
Station Officers'
Handbook for Candidates
Dated March 2005

The following minor amendments are to the Study Notes for the Station Officers' examination as it is no longer the intention to re-issue amended pages for the final re-sit examinations in 2005 and 2006. The changes will apply to all examinations **in and after September 2005**.

Handbooks should be updated to reflect the changes and I would be grateful if you would advise all potential candidates of these. The Board's web site www.fseb.gov.uk has also been updated (March 2005) to reflect the current status of each Study Note.
